2011 Membership Information

How Can I Join?

New Memberships:

A new membership costs \$725.00. The basic membership cost is \$300.00 + the current year's dues of \$425.00. Complete a **NEW MEMBERSHIP APPLICATION FORM**, attach cash, check or provide debit/credit card information. You may either mail it to the treasurer at address listed below or give it to the gatekeeper. (see 2011 Price List for options).

Southeast Swim Club
5465 P Liberty Road
Greensboro, NC 27406

Transfers:

Each year a few of our members wish to transfer their membership to others. We maintain a listing of "sellers" that you may contact to inquire about their price. In order to transfer the membership, the account must be at a "zero" balance. SESC requires a \$100.00 transfer fee and completed **Transfer Application** in order to complete the process. You may either mail this to the treasurer or deliver to the front gatekeeper.

What fees are charged annually?

The following season's operating costs are estimated each October when the budget is set. From this information, the Board determines the projected necessary income for the following season and sets fees and dues for the coming year. This past year, a maintenance fee of **\$125.00** was due on December 31st. This facilitates our cash flow for the off-season months, allowing us to pay all bills in a timely fashion. Some of our expenses during the off-season are:

- Phone
- Chemicals
- Power
- Repairs
- Maintenance

The dues for the current season are **\$425.00** and are payable by March 31st. Our current budget included allowances for long-term repairs, retirement of debt, replacement of furniture and equipment and other expected expenses.

Late charges accrue monthly on unpaid balances and statements are sent as reminders of balances due.
